

Using Facebook for Genealogy

Rhonda Stoffer

List of genealogy related Facebook pages and groups: www.socialmediagenealogy.com

Page - public profile for a company or group – limited interaction

Group – community-based gathering of people with similar interests to discuss topics

Rules - rules vary by group. Be sure to read the rules before posting.

Search feature – use magnifying glass to search posts. Items of interest may have been posted years before.

Pinned posts: read! Often asked items may be pinned at the top.

Moderators or administrators – run the group and have final say. They approve joining and can remove you from the group.
